

LAKE SAWYER SOUTH - MAILBOX INFORMATION

(Updated October 2016)

Please contact Creative Mailbox Designs for mailbox parts, total replacement or new decals.

Website: www.creativemailboxdesigns.com

Email: orders@creativemailboxdesigns.com

Phone: 813-818-7100

For reference:

- You must replace your mailbox with the exact same model installed by the builder for your home.
- When contacting Creative Mailbox Designs for assistance you will need to provide the name of our community (Lake Sawyer South) and your section (Enclave at Berkshire Park, Berkshire Park, The Reserve). It is always a good idea to include a photo of your mailbox or item that needs replacement if possible.
- Our community has the [Estate Collection](#). Mailbox models are ME-1 or ME-3. The box color is mineral black. Boxes are installed using a single bracket (DB-30) or double bracket (DB-24DNH) on a 5" fluted black aluminum post and have a red stamped aluminum flag.
- If you are repainting, please remove the old numbers prior to painting and then apply a new set after the paint is dry. The numbers must be the same size, font and color as the original ones put on by the builder. Creative Mailbox Designs charges \$20 for a set of new numbers.
